

The background of the entire page is an abstract geometric pattern. It consists of thick black lines forming a grid of squares and rectangles. Overlaid on this grid are various shapes in white and red. Some squares are solid white, while others are solid red. The lines intersect to create a complex, layered effect. The overall style is reminiscent of mid-20th-century graphic design.

*'67 TOMAHAWK DEDICATION*

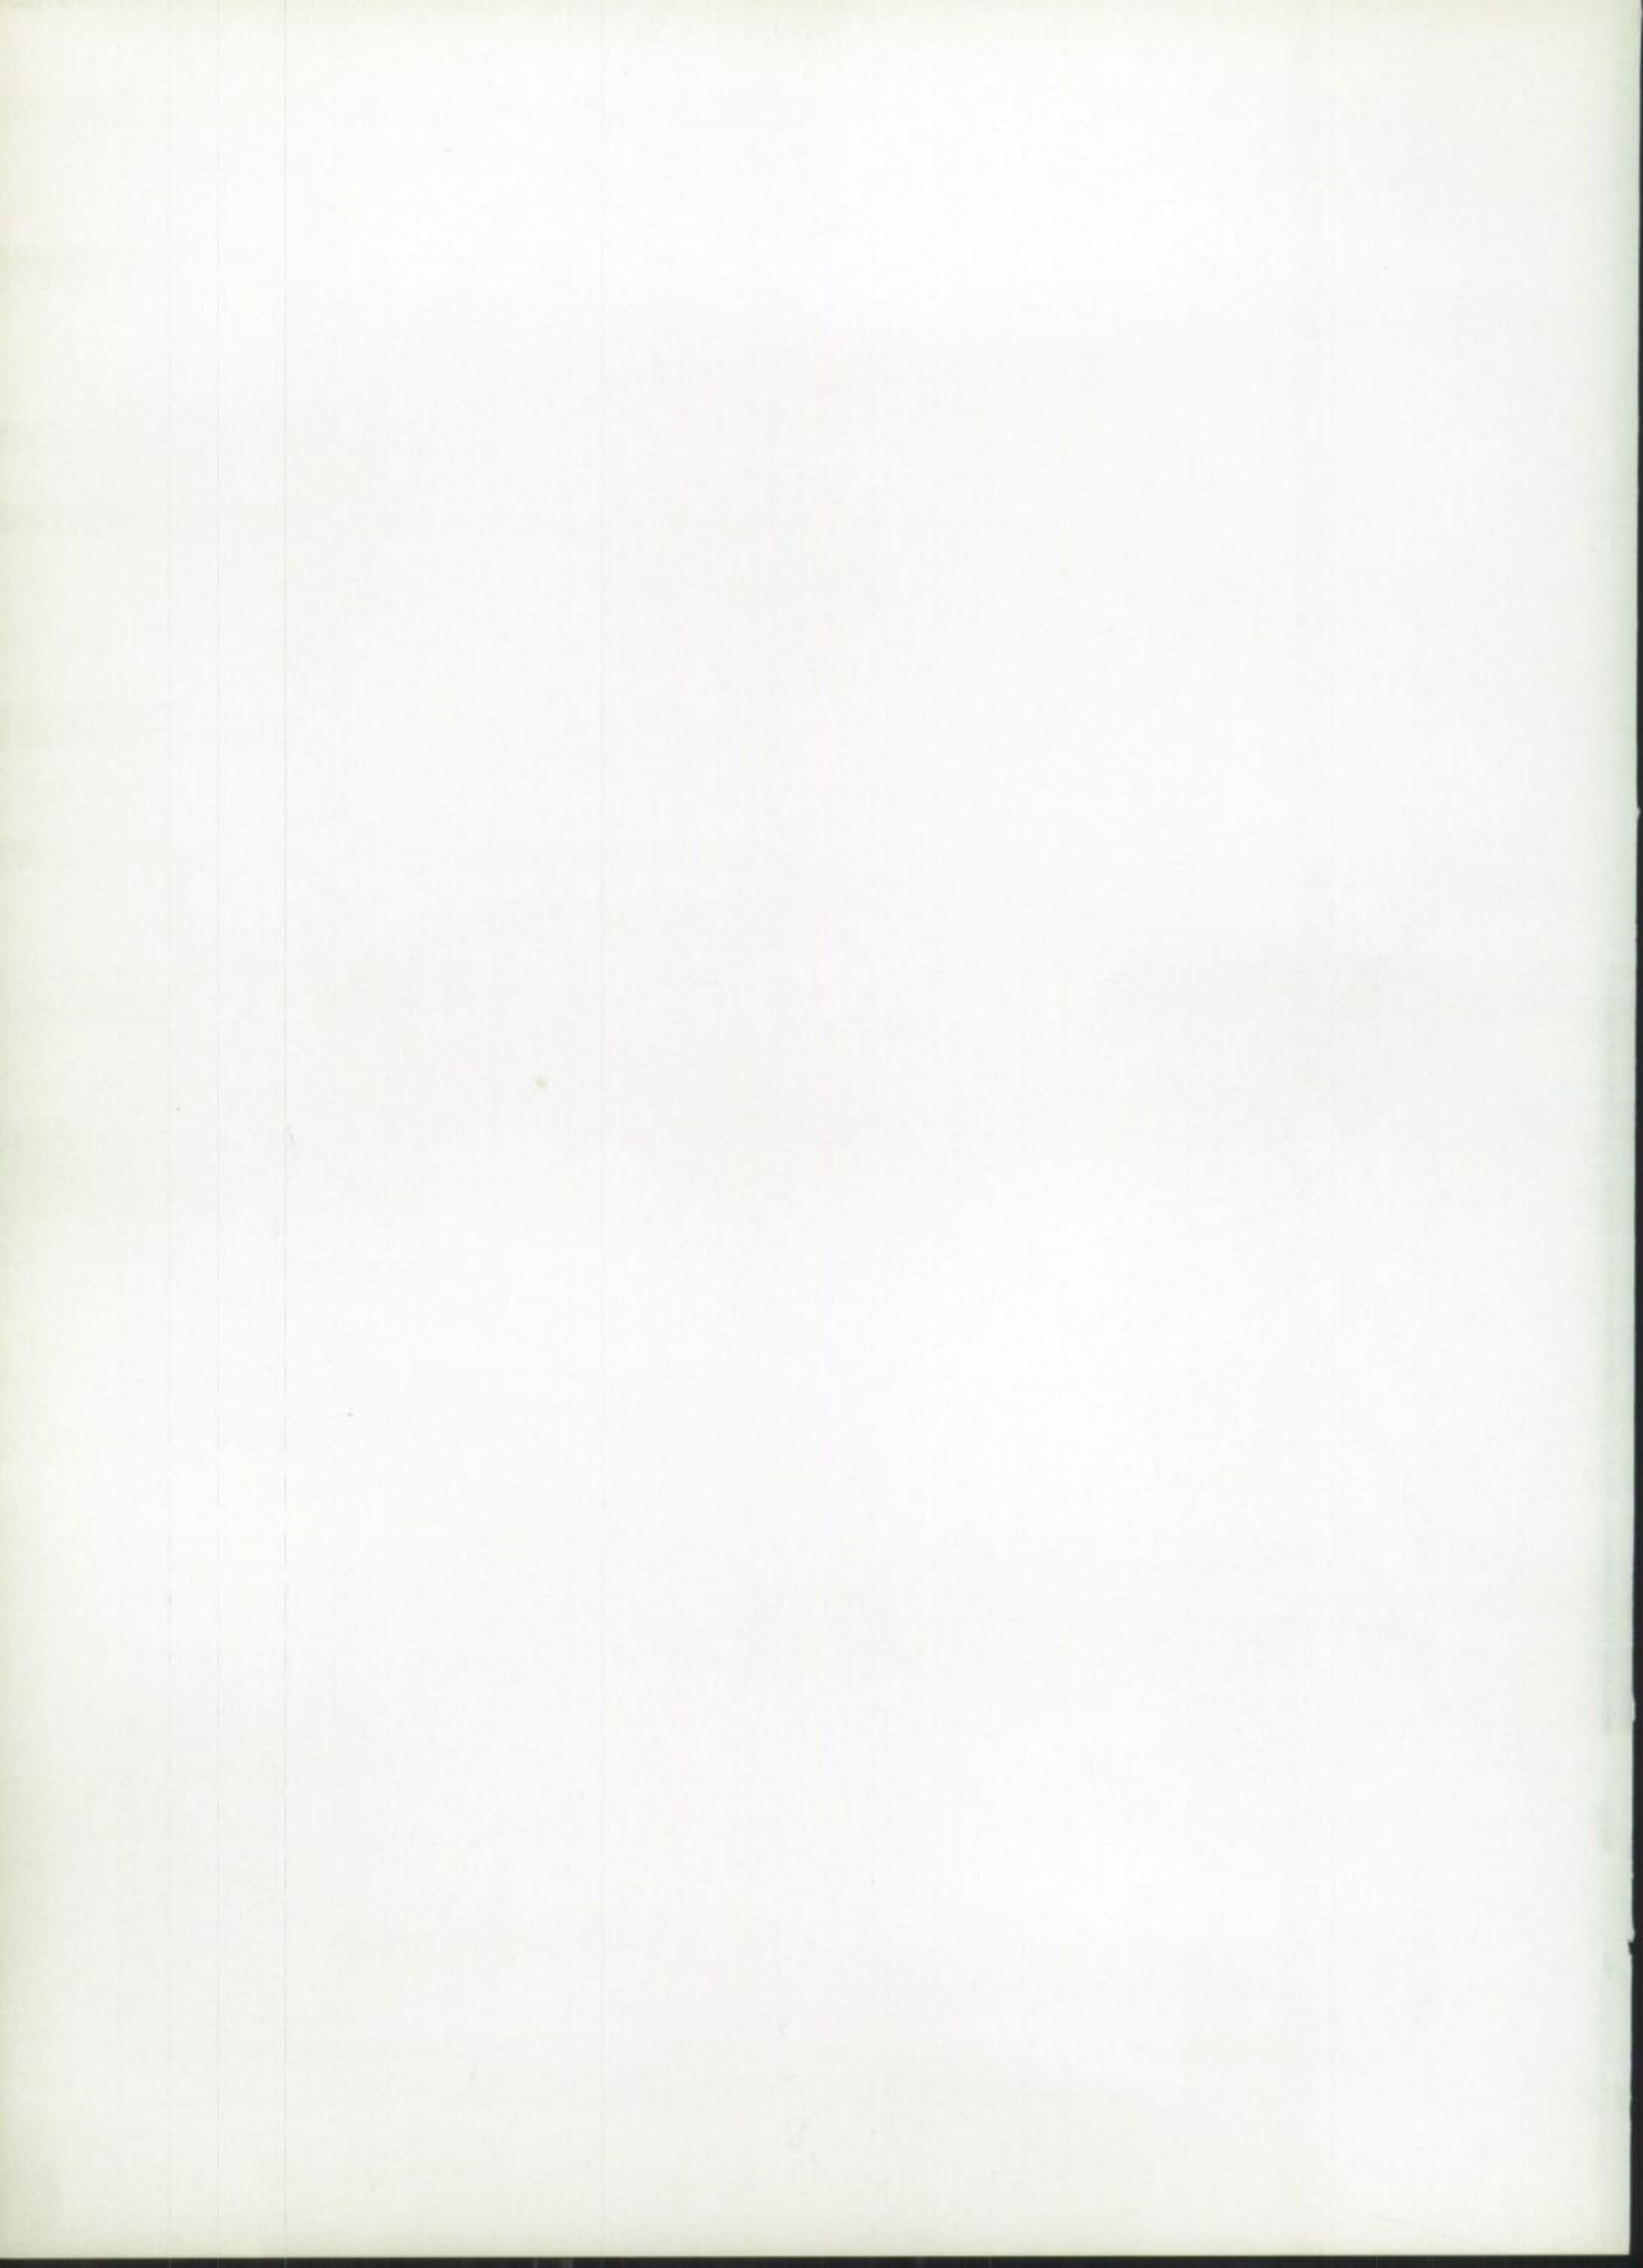

Standing on the threshold of a new and exciting life in a world which awaits our leadership, we are thankfully prepared to shoulder its responsibilities.

To the two men who have answered our questions, stimulated our minds, helped us make our important decisions and prepared us to step into the future which is ours to fashion, we dedicate the 1967 Tomahawk: Mr. Jerry Wemple and Mr. John Stefano

The Senior Class

**SPRING—FALL '66'**

# '66 TRACK

The Spring '66 track team, under the able coaching of Mr. Stahl, had an excellent record of eight wins and one loss. The team's success may be attributed to several things. First, there was the large number of boys who came out and stuck with the training during the most miserable spring weather imaginable; second, the fine spirit the "oldtimers" showed in helping the newcomers develop for different events; third, the organization and hard work of the assistant coach, Mr. Becker, who provided spirit and enthusiasm to this fine group of trackmen.

Our only loss was to Wallkill by a narrow margin. As an example of the strength of Wallkill's team, in the UCAL Championship meet, Wallkill and Onteora scored more points than the total of the other five teams taking part.

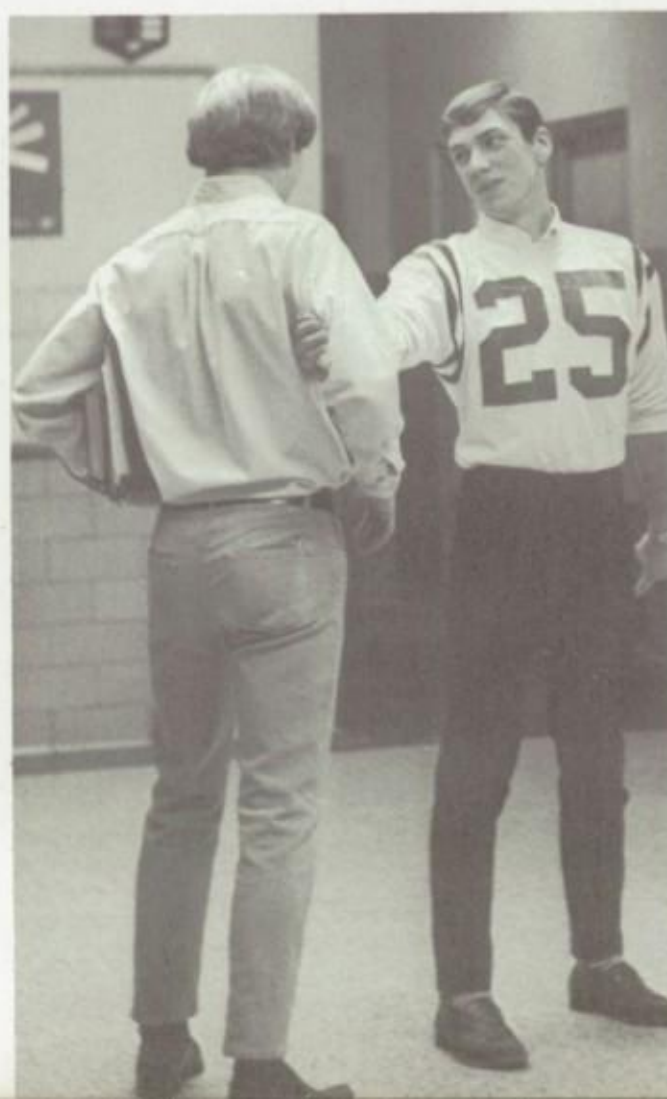

"Why can't we use our team effort on this test?"

"What d'ya mean it isn't a point?"

"Ain't I cute!"

"Where d'ya think you're going?"

The Varsity baseball team under Coach Jordan won six of its sixteen contests, tied one because of rain, and lost nine games. Most of the games were close and well-played with the main offensive weapons being the bunt and the steal. Russ Carlson, and Jon Powers, and Fritz Martin led the team in these categories while John Waters, Gary Beesmer and Charlie Moore were counted on to drive in runs.

## '66 BASEBALL

The usual line up listed Beesmer as the catcher, Charlie Moore or speedballer Paul Goins on the mound, Lou Ganci at first, John Waters at second, Jon Powers at short, Fritz Martin at third, Ted Weber or Moore in left, Russ Carlson in center and Art Kelder in right. Relief pitchers were John Mower, Tom Guadagnola and Bryan Kelly. Other members of the team were Larry Buley, Bob Raynor, Tom McNally, and Terry Alexander.

## '66 FACULTY SHOW

Spring '66 brought, among other things last year, another riotous faculty show. In this PTA Benefit for a scholarship fund, the teachers showed unusual talent and had an opportunity to let their informal personalities shine through.

The theme of this Faculty Show was satire of TV shows. Two weird Martians were tuning in programs from earth in which O.C.S. teachers were the principal actors. The martians, played by Mr. Wemple and Mrs. Toczydlowski, offered good commentary and provided continuity for the show.

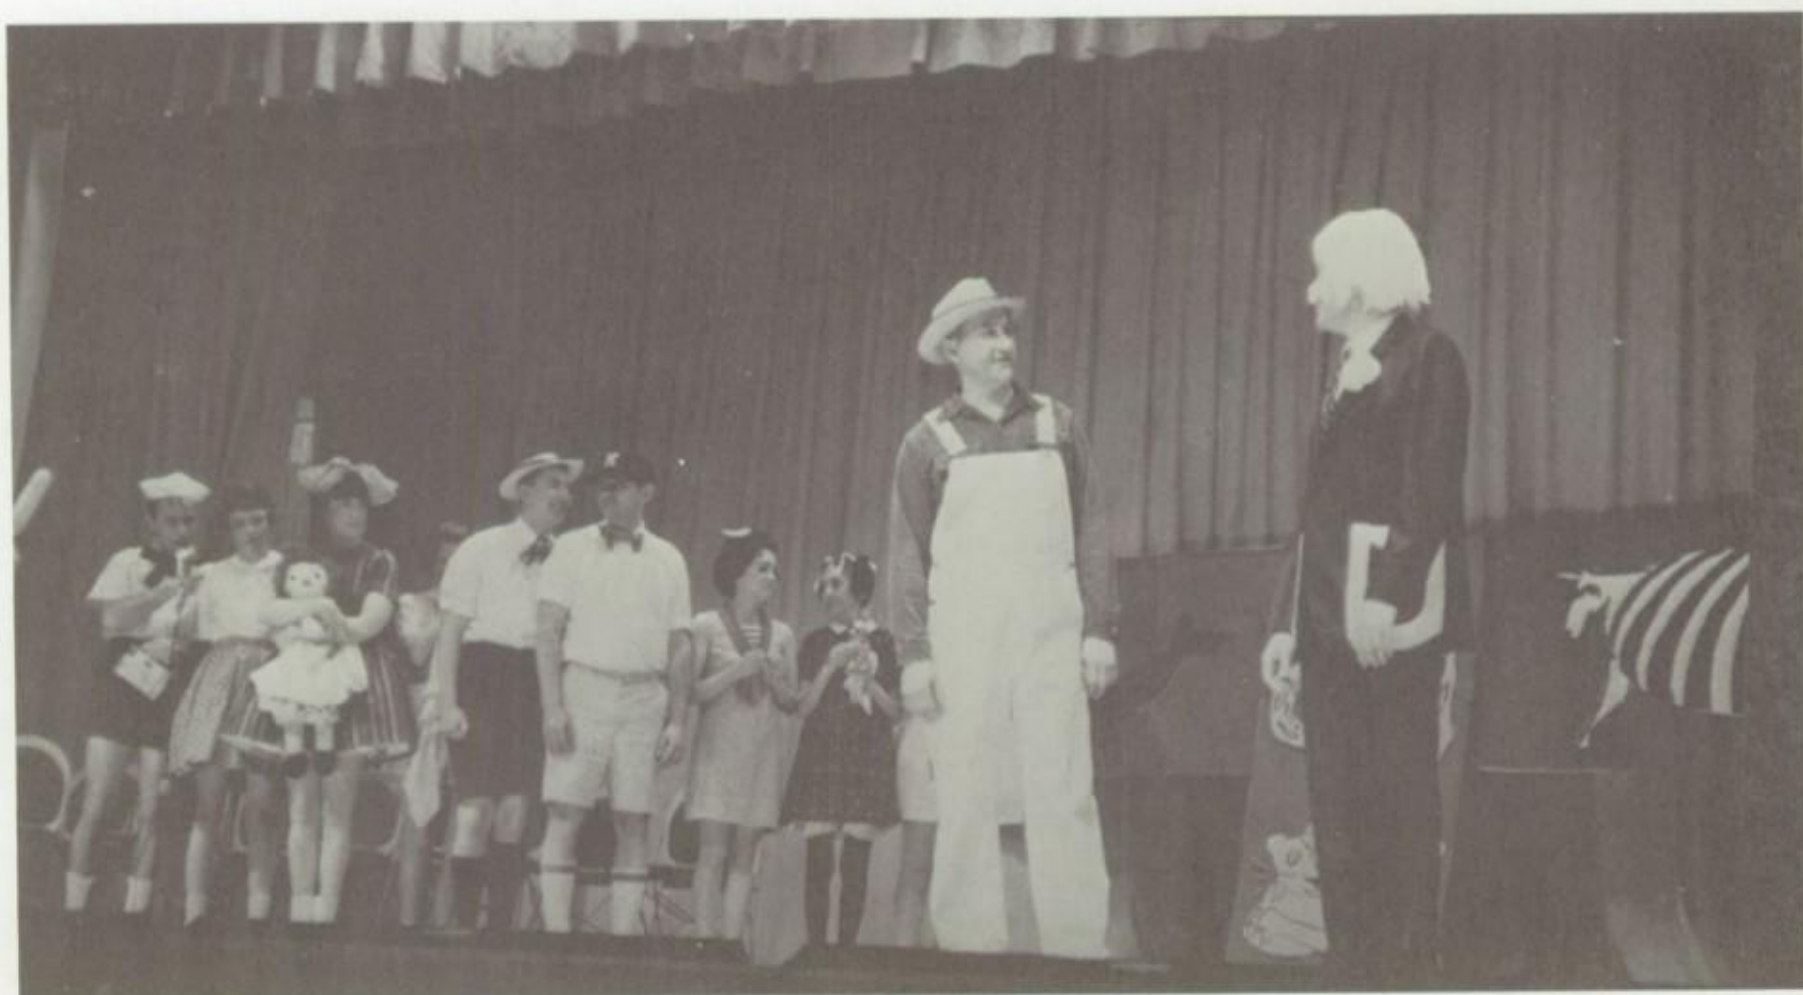

The various programs included: an introduction sung to the tune of "Everything's Coming Up Roses"; The Mitch Miller Show with Mr. Proper and his singing monsters; Kaptain Kalamazoo (a take off on Captain Kangaroo, with such noted personalities as Mr. Proper, Mr. Malek, Miss Smith, Mr. Goodrich, and many other "spoiled brats"), "I'm A'goin' Fast Maw" (a long western in which the moral was given: brush your

teeth, you'll live longer: starring Miss Okoren, Mr. Stahl, Mr. Moses, and Mr. Stefano), the Ed Sullivan show (a two-part-smash-hit with the notable Mr. Wemple as Jackie Gleason), a monologue where Mr. Witter hilariously performed Bob Newharts' driving instruction routine, Hootenanny where many teachers, under the direction of Miss Kittell, displayed their dancing "talents," the Roving Reporter with Mr. Burgin and Señor Wakefield, and Batman played with a flourish by Mr. Bradley, Mr. Crucetti and Mr. Strout as worthy O.C.S. villains and protectors.

The sampling of shows was really riotous and showed the teachers' ingenuity well. Scenery of a bizarre nature was designed by Mr. White and constructed by Mr. Moses.

## OOLALAGA-U

Last spring Mr. Proper staged another remarkably successful musical production employing a cast of thousands. Would you believe hundreds? The name of this fantasmagoria was "Oolalaga-U" written and directed by our noble and diligent chorus leader.

The setting for the story is a small university town a few days prior to the big game of the season. Everything seems to be going wrong. The chances of winning the game are slim, and to compound matters many star players were caught breaking training and suspended from the team. But perseverance and justice triumphed in the end, and a winning home-run brought happiness back to Oolalaga-U.

Fine performances were turned in by Beth Nussbaum (as Meg), James Manuel (as Billy), Tina Kleine (as Hilda), Jon Fox (as Larry), Harry Miller and Gary Houseman (as the "grieving" coaches), Chris Gehman, Ron Hutchinson, and Steve Hoffman (as not-so-ethical ball-play-

ers), Wilfred Krein (as the doctor), and Mr. Burgin (the radio announcer). The nightclub portion of the program proved to be very entertaining. As Meg and Billy watched, the whole audience saw talent-laden acts on stage. Barbara Steinlauf was the master of ceremonies and introduced Charlene Carlson and Debbie Allen (a folksong group), Kathy Hancock, (a dancer), Arthur Haver (with his Thurber monologue), Jan and Mark Hoyt (who did a dance duo), and Ronald Bodnar (a talented nightclub singer.) The Calendar Girls were: Sharon Carey, Susan Chepeleff, Jeanne Breitenstein, Christine Gardner, Evelyn Prochaska, Judy Sturtevant, Anne Prochaska, Vicki Bellows, Margaret Hansen, Janis Johnson, Cindy Schreiner, and Patricia Dunham. The whole chorus may claim credit for making the show a success. Many thanks to Mr. Proper for producing another smash hit!

## '66 CROSS-COUNTRY

The end of a seven-year drought in UCAL Cross Country Championships came to an end this year for Onteora. The Varsity completed an undefeated season, the first in the school's history, and climaxed it by winning the UCAL Championship Meet over six League rivals. The success of the season can be attributed to a very strong team effort, with every boy doing his utmost both in spirit and performance. Although long-distance running is a taxing, exhausting sport, a very large turnout for this Fall sport and season-long enthusiasm paid off. Many newcomers gave surprisingly good accounts of themselves and the fine performances of the few returning runners from last year's team resulted in a strong, well-balanced team.

Few runners in Onteora's running history could match the standout job done by Craig Hubbell. With amazing dedication and sense of purpose, Craig developed into the top runner in the League and one of the finest in the Hudson Valley. Although defeated in two dual meets, Craig worked ceaselessly as the season went along and won the final, Championship Meet going away, setting a new course record at New Paltz.

Senior Homer Miller was consistently up in the top to strongly back-up Craig. But cross-country is not a two-man sport; and without the strong help of captain Art Kelder, Glenn Brinkman, Kevin Green, Frank Hunlock, Walt Arzuaga, Roy Olsen, Bob Thompson, and Bob Maxfield success could not have been ours. To this list must be added the names of Alan Shultis, Bill Tucker, John Hunlock, Steve Heifetz, Larry Buley, Jim Quick, and Freshmen Sandy King, Bruce Rubin, John Ladin, and John Kelder. All contributed in every meet and in practice; and although many did not appear among the top men they provided the competition necessary to keep the top men on their toes. With only two of the first seven runners graduating, future prospects look excellent.

"It's a rough life."

EVELYN PROCHASKA  
'66 Football Queen

The status of the 1966 Onteora varsity football team was an unknown factor when practice began on the 24th of August. Only two starters, a few players with limited experience, and a host of promising Junior Varsity graduates came together to try to form an entirely new type of team. Using a pro-set, passing offense and a gambling, scrambling defense, the squad made a game-attempt to compensate for two prime weaknesses: lack of size and lack of experience. Although progress was not easy, results exceeded expectations as a 4-1 record was forged in the first five games. Then disaster struck in the form of three disappointing losses, the more agonizing for their closeness. The season was thus an erratic one, and all concerned were left with many regrets. However, one need not look far to find positive factors.

The team morale, while not perfect, was a cohesive and heartening characteristic, remaining positive throughout the peaks of success and the valleys of failure. In fact, many individuals exhibited a maturity and a dedication that did credit to themselves and the school.

# GRADUATING VARSITY PLAYERS

Jim Carr  
(guard)

Joe Cieri  
(linebacker)

Rod Daughtrey  
(tight-end)

Joe Eisenbeil  
(center-guard)

Pete Glass and Frank Raffaldi, as team captains, strove through exhortation and example to inspire the team toward improved performance. Pete's election to the UCAL all-star team culminated two years of concentrated self-improvement. Frank was awarded the "Best Team Spirit" trophy, an honor he richly deserved.

Charlie Fredericks, in catching 25 passes, was a major offensive threat, forcing most teams to cover him with two defenders.

John Howland served as the team punter and his reliability was often a positive strategic factor.

Joe Eisenbeil performed well in an unfamiliar position, that of an interior defensive lineman.

Gary Houseman proved that "you can be better than you are" by playing inspired football during the latter part of the season. He simply willed himself to surpass the limiting factors of size and slowness, and thus earned the respect of all concerned.

Jon Hoyt played a sterling offensive and defensive tackle all year, contributing an unnoticed, but appreciated strength.

Bryan Kelly was a tower of strength in his defensive safety spot and learned to play offensive guard in one season, which was not the easiest of tasks.

Bart Guglielmetti received the "Outstanding Lineman Award" for his rugged play as a defensive middle guard.

Charlie Moore proved himself to be an able field general and a devastating short passer.

Ross Van Wagenen, in his first attempt at the sport, played defensive halfback and had three interceptions in one game.

Jim Carr completed a career marked by unusual faithfulness. Although limited to reserve status by his size, he seldom missed practice and performed ably when called upon.

Bruce Stoutenburgh, through hard work and application, became an effective defensive end as well as a dangerous running threat.

Rod Daughtrey, after a late start, played some fine defensive ball.

Mike Tulp served the team as an able reserve back.

Joe Cieri was a tough little linebacker who was hampered by injuries.

Juniors on the team were: all-league tackle Dale Chauncey, center Stan Witko, linebacker Steve Hanks, tackle Wayne Rice, tight-end Clark Van Etten, split ends Wes Daughtrey and Carey Anderson, quarterback Mickey Bush, fullbacks John Adsit, Fred Wagner and Jay Morey, flankers Ted Weber and George Colon, end Paul Pettinatok, and place-kicker John Stoothoff.

Sophomores, who did very well, were fullback Alan Cocks and guard Dave Berryann.

#### ONTEORA 19 RED HOOK 7

A long 72 yard touchdown pass from Moore to Fredericks in the first sequence of plays, set the stage for the entire season. Glass took another Moore pass for a long scoring run, and Mickey Bush passed to Fredericks to cap a successful series in the second half. Kelly's two interceptions blunted Red Hook's threats and the season was happily launched.

Charlie Fredericks  
(flanker)

Pete Glass  
(left half-back)

Bart Guglielmetti  
(defensive center)

#### ONTEORA 19 NEW PALTZ 0

Rained out on Saturday, this first league contest was played on Monday afternoon. Despite various defensive maneuvers by New Paltz, the passing game produced three more scores, and Stoothoff booted the three extra points. Bush to Fredericks was the combination producing the first score, while a long Bush to Colon pass set up the second, scored by Glass on a dive. Moore passed to Glass for a 50 yarder, closing out the scoring. The defense blunted the New Paltz single wing attack with Kelly's interceptions playing an important role.

#### ONTEORA 6 HIGHLAND 20

On a hot, bright day in Highland, Onteora fought back from a 13-0 deficit brought about by some glaring defensive mistakes. With Sophomore Alan Cocks doing some strong running inside and Glass an outside threat, the team marched up and down the field, but could score only once on a Cocks run. Several small offensive miscues close to the goal line negated the fine work done in mid-field and pointed up general inexperience. Late in the game, the league champions ground out another score against our tired defenders.

Gary Houseman  
(safety)

John Howland  
(safety)

Jon Hoyt  
(tackle)

#### ONTEORA 14 RONDOUT 6

Bouncing back from a miserable first half, a determined team stopped Rondout completely, and overcame a 6-0 deficit. A changed defensive alignment and fine option running by Moore and Glass set up the win. Fredericks made a fantastic one-hand catch to contribute to one scoring march culminated by a Moore quarterback-sneak. The score that tied the game was set up by a missed quick-kick recovered by Chauncey. Glass drove over the goal line, and Stoothoff's tie-breaking kick was strong and true. The 14th point was a finely executed Moore to Anderson pass. Mickey Bush broke his collarbone in this game, and his absence was a great blow to the team.

#### ONTEORA 20 WALLKILL 0

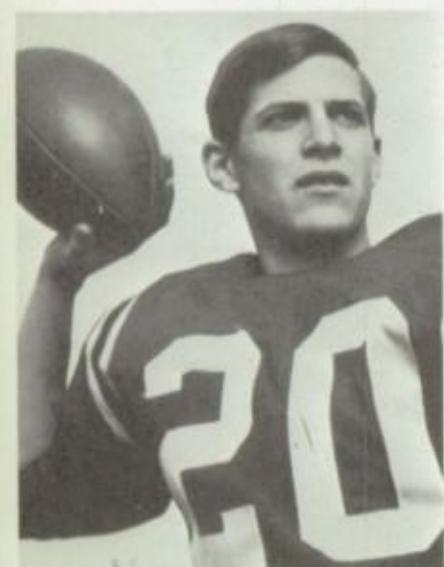

The line blocking became truly sharp in this game, as Glass and Cocks ran well behind the hard-charging forwards. Fredericks caught 6 passes and also ran well to set up the scoring. Cocks and Glass strove over for two first half touchdowns, while Gary Houseman came off the bench to fling a "helicopter" pass to Glass for a score in the game's waning moments. Van Wagenen intercepted three passes in his debut as a starting defensive back. Stoothoff kicked two of the three extra points.

Brian Kelly  
(guard)

Charlie Moore  
(quarter back)

Frank Raffaldi  
(linebacker)

#### ONTEORA 6 PINE BUSH 12

A half-hour before gametime, the weather changed from a funny, warm day to a windy overcast cold one, and the frosty wind had a great effect on the Onteora passing attack. Several fumbles, a stolen ball, and poor tackling were factors in this frustrating defeat. The team did well to fight back from a 12-0 deficit via a Jon Hoyt blocked punt, and at game's end several passes could have just as well resulted in a touchdown; they were that close. Many less than desirable factors will be long remembered in connection with this game, but sticky fingers and a few third down tackles would probably have averted the defeat.

#### ONTEORA 7 LIBERTY 13

Playing on Liberty's beautiful new field, the team began in near-expert fashion, completing passes at will and controlling all aspects of the game. All this domination resulted in only 7 points, however, on a Moore-Glass pass, plus an Adsit smash, as once again the problem of scoring inside the ten yard line proved insoluble. The second half was dominated by Liberty as their powerful offense controlled the ball most of the time, while penalties and pass interceptions killed all Onteora threats. After so much fine play, this defeat was particularly heart-breaking to all concerned.

Bruce Stoutenburgh  
(full back)

Mike Tulp  
(right half-back)

Ross Van Wagenen  
(safety)

#### ONTEORA 0 MARLBORO 7

On a somewhat slippery field on Veteran's Day, the team did a fine defensive job, but produced the worst offensive game of the year. No fewer than nine genuine scoring opportunities from inside the 30 yard line were mishandled in some manner, one from the distance of six inches. It was a humiliating ending for a season that held so much excitement and promise.

The players of 1966 left the field in bitter disappointment after their last game, but reflection will show that no dishonor was attached to their performance. Each young man threw himself wholeheartedly into this bruising and difficult game and, in the final analysis, the team missed an outstanding season by the slim margin of 19 points.

All team members may justly take their places in the long line of dedicated young men who, through their efforts and actions, have made the name Onteora respected in this area.

Ah, the powers of concentration.

An added attraction to the 1966-67 school year was the construction workers ... er ... rather, the construction work. How many times were our hallowed halls, hushed in quiet study, exploded with a blasting jack hammer, or the roaring of a monstrous machine! The view out the window, normally attractive to the healthy teenager, was sparkled with new excitement. We all learned how to dig ditches, to construct scaffolding, and to lay bricks, in addition to the course we all took in elementary road building which was being offered for the first time on Route 28. All in all, it was an exciting year. There was plenty to learn and always plenty to observe.

## '67 TOMAHAWK DANCE

Last fall found the Tomahawk staff planning for two major school events. Weeks went by, and the date of the Tomahawk assembly and dance approached. Every 8th period the Art room was filled with staff members working feverishly to help make the dance a success.

Of the thirty-six Tomahawk Queen entrees, six were elected by the student body as finalists. At the Tomahawk Assembly, the six finalists were presented to the students, with the lively accompaniment of the high school band.

The first finalist was Jeannie Breitenstein who is just under 5 feet tall and has black hair and dark eyes. Her pastimes include horseback riding, cheerleading and eating. Jeannie was escorted to the dance by Bart Guglielmetti.

Tina Bromberg is 5'8" and has hazel eyes and black hair. She likes to play tennis, dance, and give advice. Her escort to the dance was Bill Rhinehart.

Pat Dunham is 5'2" and has hazel eyes and brown hair. She likes to go horseback riding. Pat's escort was Chris Giordano.

Dorothy Holt is 5'7" and has brown eyes and brunette hair. Her pastimes include skiing, and hiking. Dorothy was escorted by Bob Reynor.

Beth Nussbaum is 5'2" and has brown eyes and brunette hair. She dances, plays the guitar and collects bottles. Beth's escort to the dance was Charlie Moore.

Barbara Steinlauf, the last finalist, is 5'7" and has blue eyes and brown hair. She likes to sew, swim and dance. She was escorted by Jay Morey.

The Tomahawk Dance on November 19th proved to be everything the staff had hoped for. The Tann-gents provided a good variety of music and the decorating committee transformed the Bennett School gym into a fantasy of color. The highlight of the evening was the presentation of the six finalists on the stage and the crowning of Beth Nussbaum as the 1967 Tomahawk Queen.

## MUSIC

For the past nine consecutive years, the high school band under the direction of Harry Simon received an A-6 rating, the highest possible rating, at the annual band competition held in the Spring. The band has provided entertaining half-time shows at the football games and has participated in the annual Christmas and Spring concerts. Out of the seventy-eight members of the band, fifteen seniors have proudly upheld Onteora's musical success.

Under the versatile direction of Earl Proper, the Junior and Senior high chorus groups annually present a Christmas and Spring Concert. Last Spring the Senior High Chorus participated in the production of Oo-la-laga-U. Mr. Proper will greatly miss the fifteen voices of Onteora's graduating seniors.

Onteora's orchestra is competently directed by Fritz Wolff. His group also participates in the Christmas and Spring concerts held yearly. Eleven Seniors in the orchestra will graduate in June.

## *GIRLS BASKETBALL*

Chalk up another winning season for the female hoopsters of OCS. Although failing to advance in the UCAL Sportsday, the Varsity team registered a 4-2 record due to the consistently good performances of Lisa Carr, Vicki Johnson, Evie Prochaska, and Captain Joan Viskocil. The J.V. team ended with a 3-0 season, and the 9th grade and the Junior High teams both scored wins.

## LEADERS CLUB

"Didn't you know? All vampires prefer small morsels."

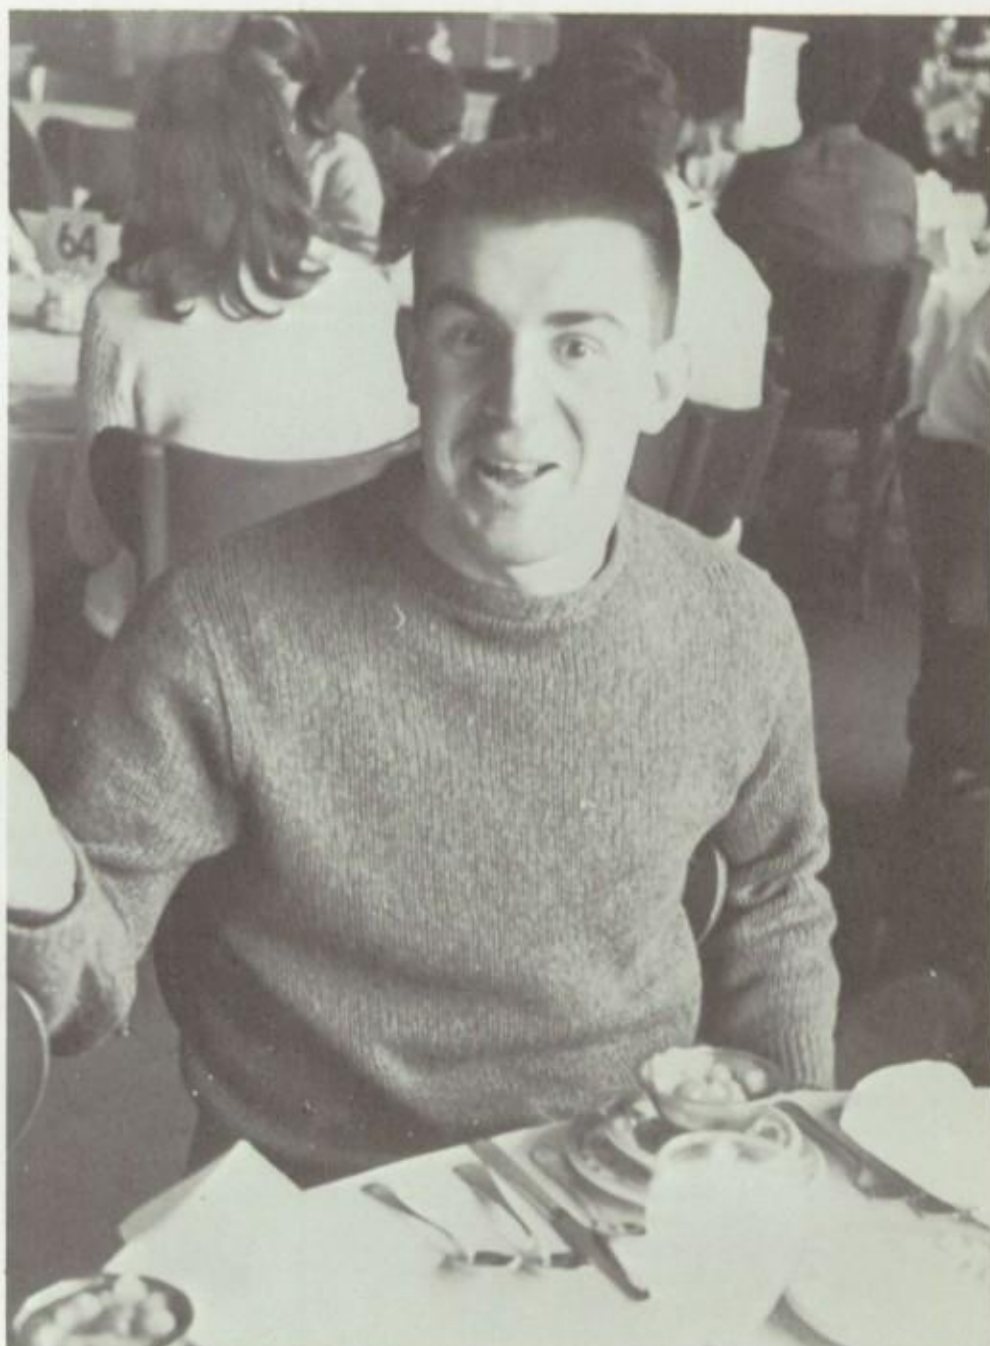

## SENIOR TRIP

"One more fork and we can pay for next year's trip."

"If he hits me with that menu once more, I'll clobber him."

"Hey, wait, chaperones have to eat too. This is only my third entrée."

## HONOR SOCIETY

The lights dimmed; as slow and splendid music began, shafts of white light streaked from above to fall on the darkened, yet strangely alive, stage as dark spirits, carrying flickering candles, proceeded down the aisles. The music rose to a crescendo as the members of the Honor Society took their places on the stage.

The new inductees were brought to center stage to be introduced to Rev. James W. Cook who had presented the invocation, Mr. Witko, Dr. Sullivan, and Mr. Vigliomo, guest speaker and former Oteora teacher.

The inductees were sworn in and pledged to uphold the ideals of the National Honor Society which include scholarship, leadership, character, and service.

## *A.F.S. FOREIGN STUDENTS*

"I spent a wonderful year at Onteora, and I am not about to forget the students and teachers, the football and basketball games, as well as the swinging school dances. I love America!"

Marie Claude Carette

What is a "foreign student?" A foreign student is a complex person chosen from another country to visit us for a year; a person who must be sometimes witty, often energetic and always tactful. He must be outgoing, and studious, friendly and discerning, cooperative and individualistic. This year Onteora was honored to host two foreign students, Mauricio Florence de Barros from Brazil and Marie Claude Carette from France.

"The opportunity of knowing America and the Americans, and understanding them, is the most important and intense contribution to the enlargement of my culture and experience, so far. It will play a major part in my future life. For this I am very grateful to the people in this community."

Mauricio Florence de Barros

## *D.E.C.A.*

"I believe in the future which I am planning for myself in the field of distribution, and in the opportunities which my vocation offers." So opens the Distributive Education Clubs of America Creed. At O.C.S. a thriving DECA organization is currently giving students the opportunity to live up to this ideal.

Led by Mr. Wereszynski, DECA provides members with practical experience from lectures and field trips in the field of leadership and professional ability in the distribution of goods and services.

The officers of the active DECA club at Onteora are: Bryan Kelly, president; William Carr, vice-president; Edna Weber, Treasurer; Kathy Haver, Recording Secretary; Carol Gardner, Corresponding Secretary; and Willie Van Leuvan, Parliamentarian.

## *VARSITY BASKETBALL*

The 1966-67 Varsity Basketball team started its season on a dismal note when two players of the starting five were unavailable for practice due to football injuries and scholastic ineligibilities. Winning only two of their first six league games it looked as though they would end up near the cellar in the league standings. Then Mickey Bush was given the green light to play by his doctor and Bryan Kelly, last year's high scorer, became eligible and also strengthened the team.

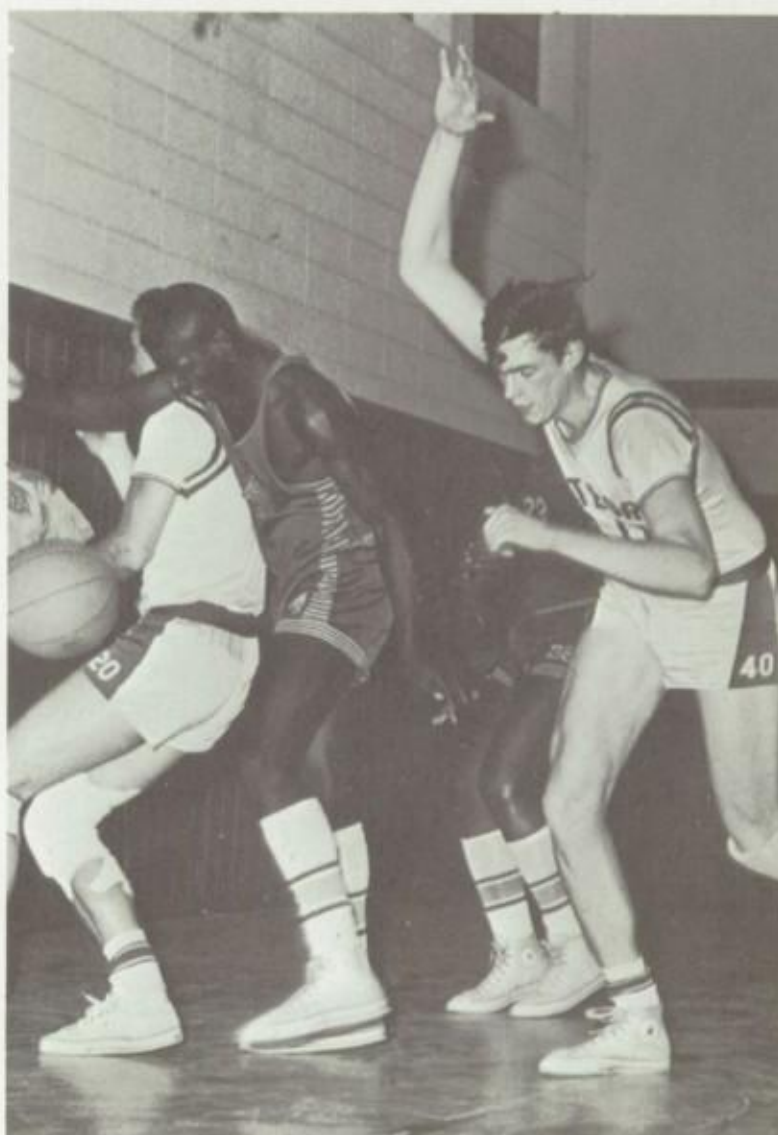

A 6'5" sophomore by the name of Bob Klementis transferred from the Kingston school system; Coach Kissel installed a new type of defense, and a completely different team took the floor. Dale Chauncey did a powerful job of rebounding and soon started scoring more and more points.

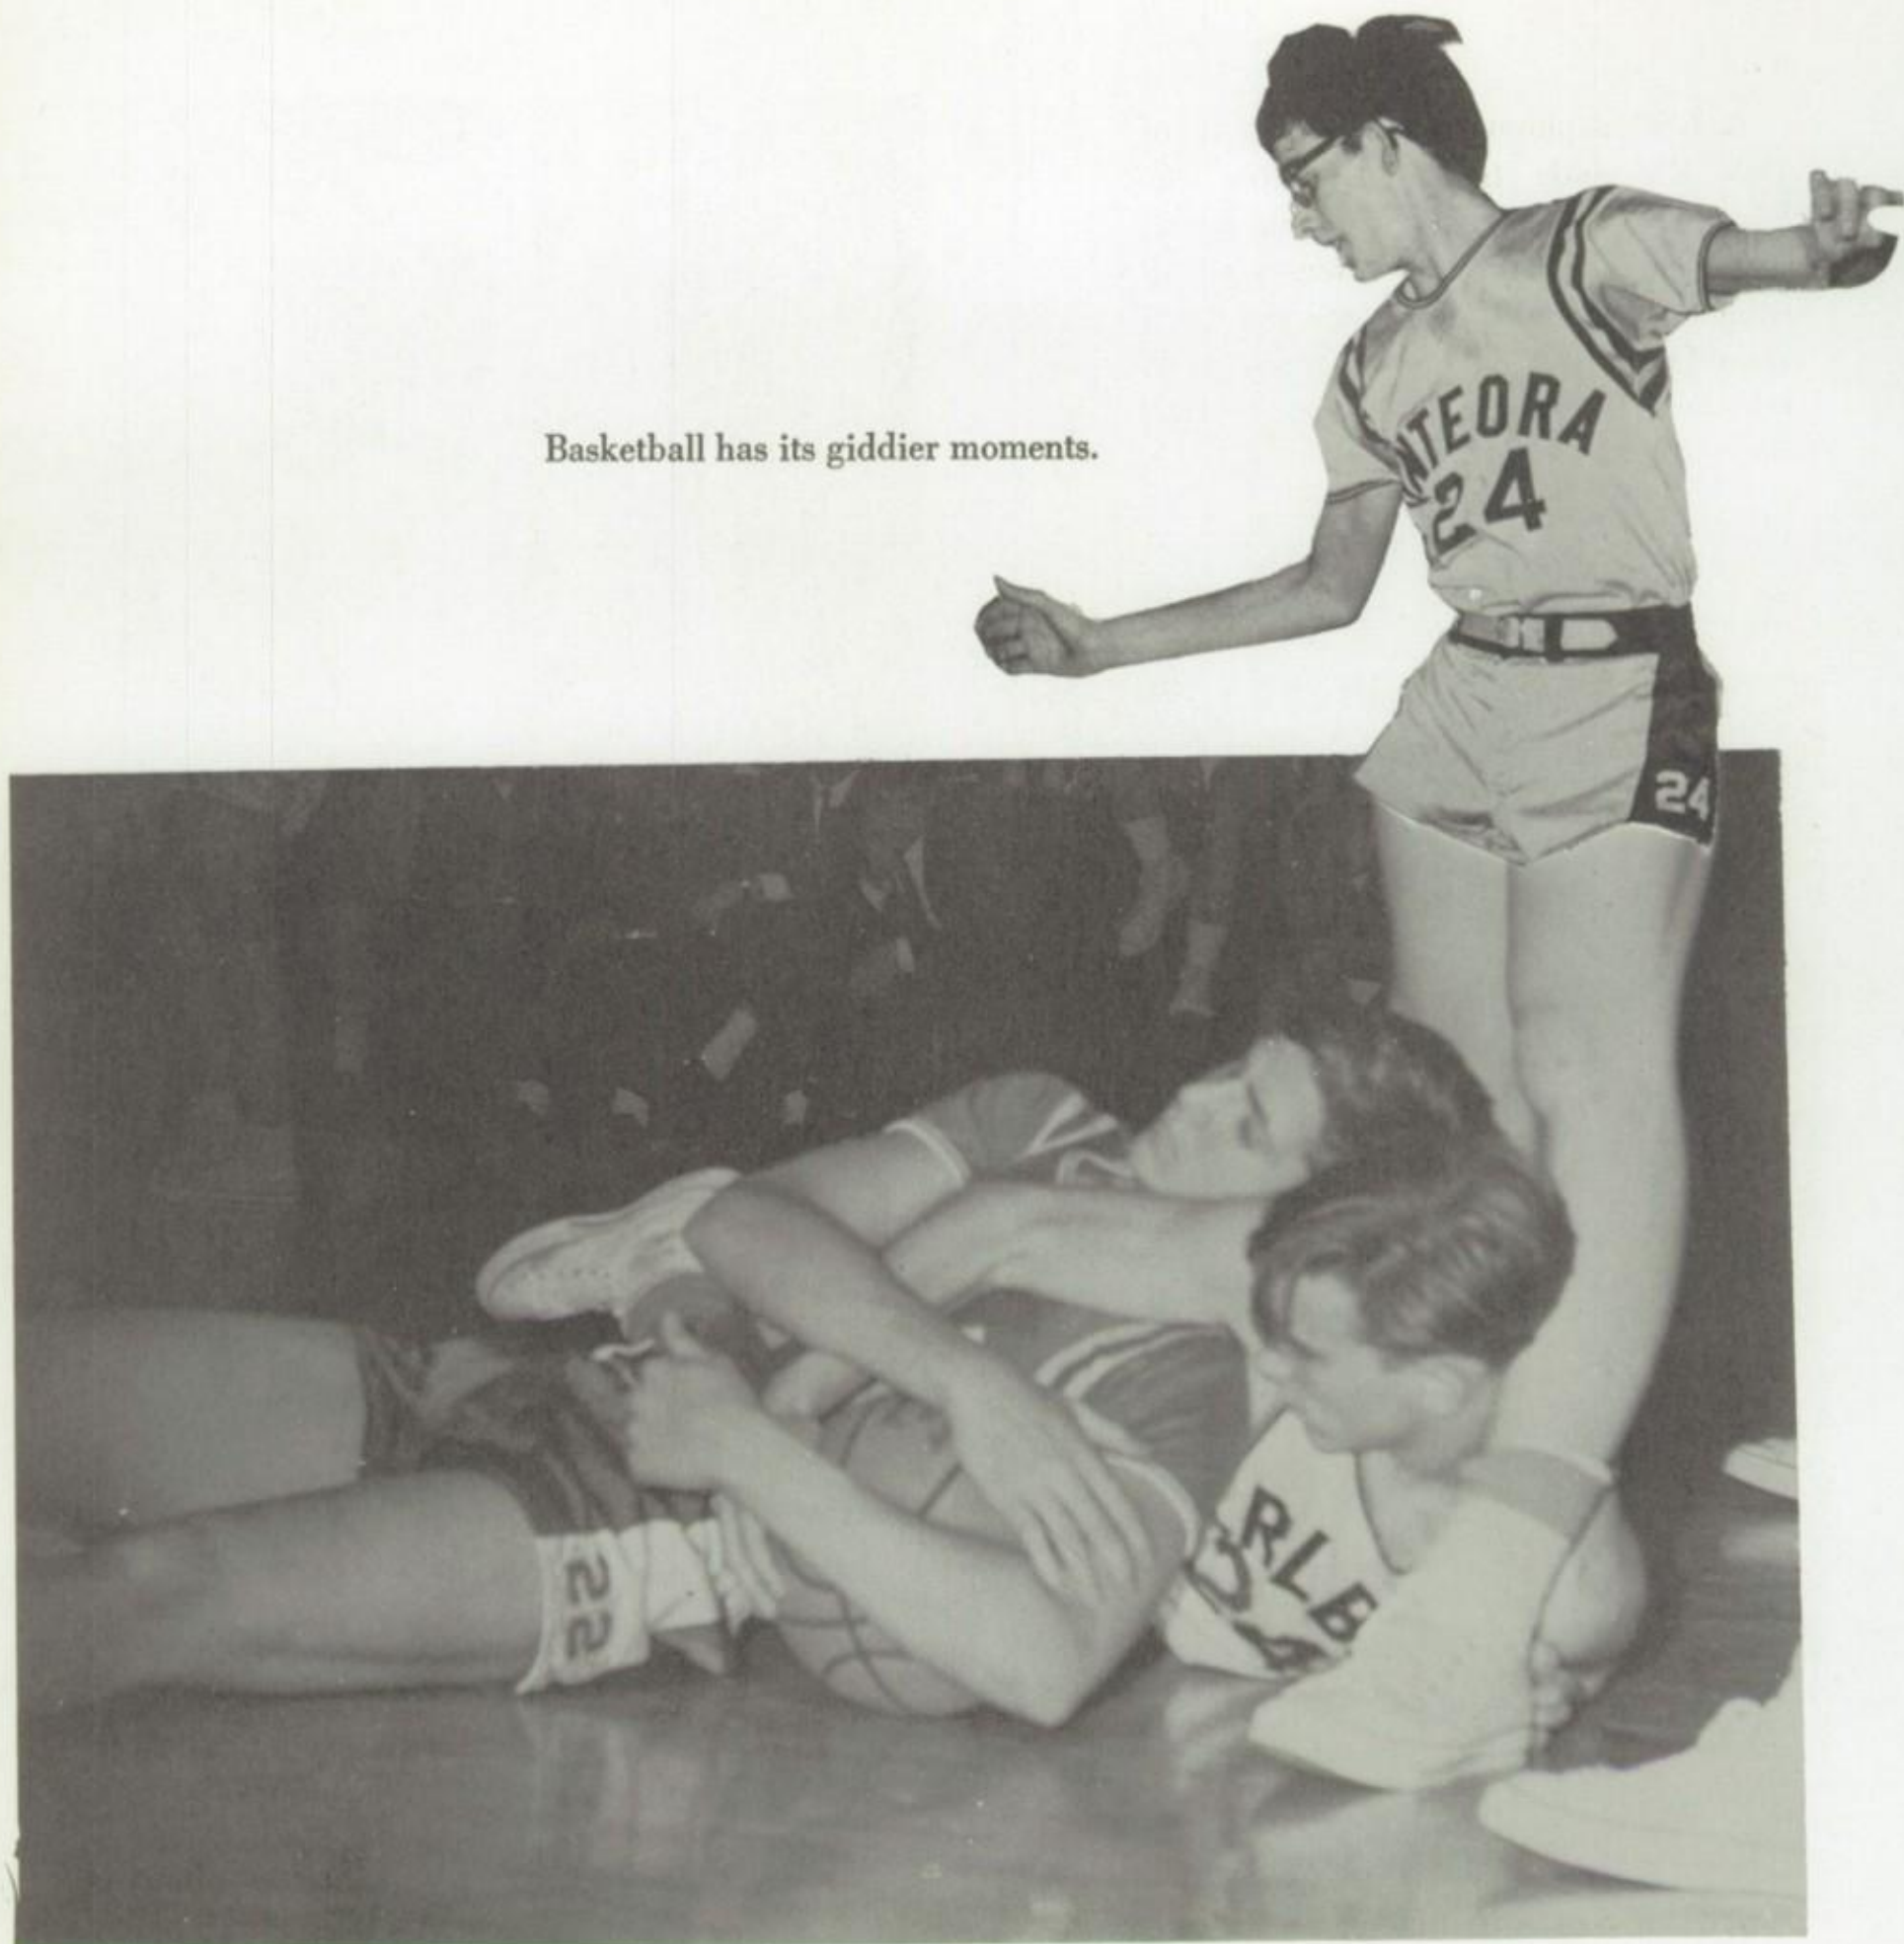

Charlie Moore only 5'10" tall was constantly up near the top in scoring and it soon became apparent that the team was not going to be a push over in its remaining games. Charlie and Bryan Kelly made the all UCAL team.

Basketball has its giddier moments.

During the second half of the season they won 4 out of 6 league games and ended the season in third place in the league standings. Marlboro won the championship but their final game against Onteora was a real thriller when Marlboro managed to stay undefeated and won the game in the last quarter. All in all the team displayed real scrap and hustle and the players returning next year will be a real threat for the championship.

To the Senior members of the team, John Howland, Bryan Kelly, Charlie Moore, and Dave Rose, we wish you the best of luck and congratulate you on a fine season.

**BRYAN KELLY**

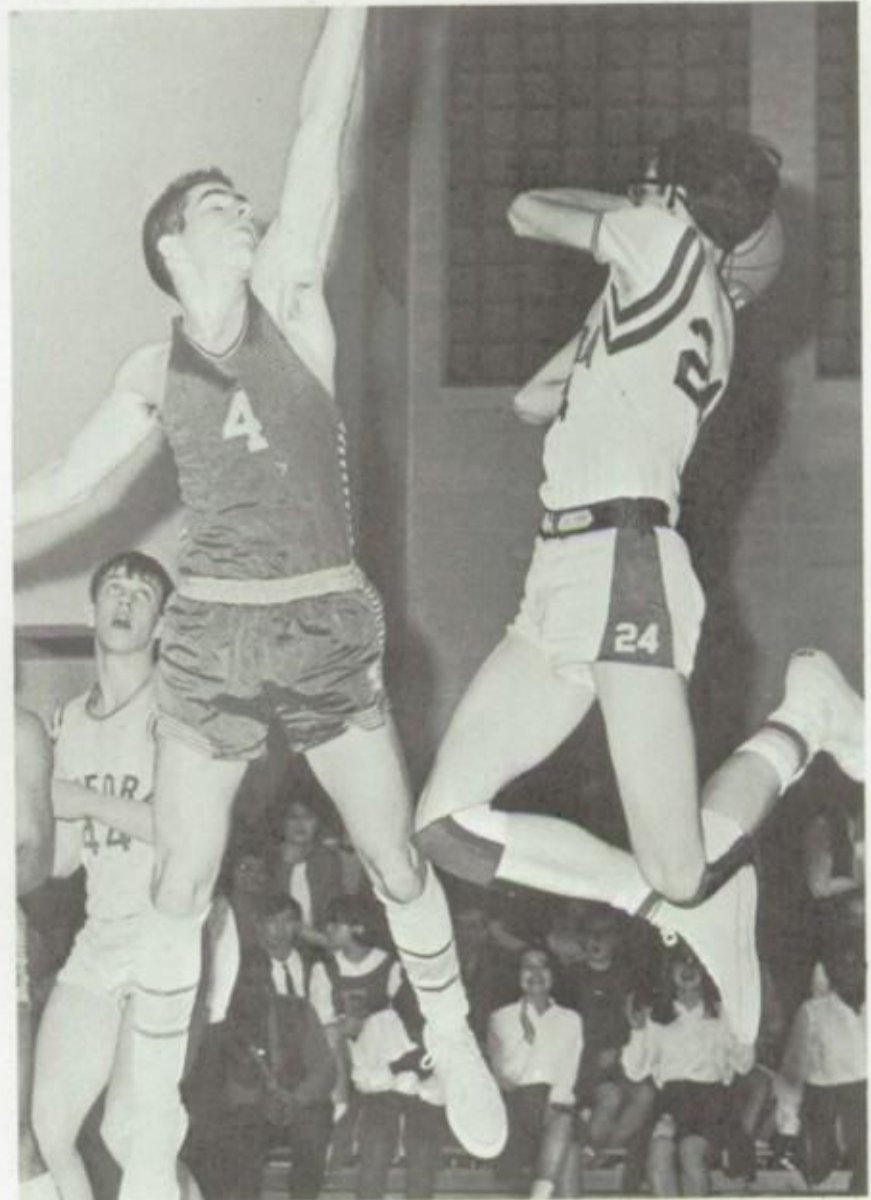

Bryan Kelly, who recently completed his varsity basketball career at Onteora, set several records during the past three years.

The 6'-2" forward scored 950 points during his varsity tenure. He had 274 as a sophomore, added 292 last season and hit for 384 points in 16 games this year, an average of 24 a start.

Kelly holds the following records at Onteora:

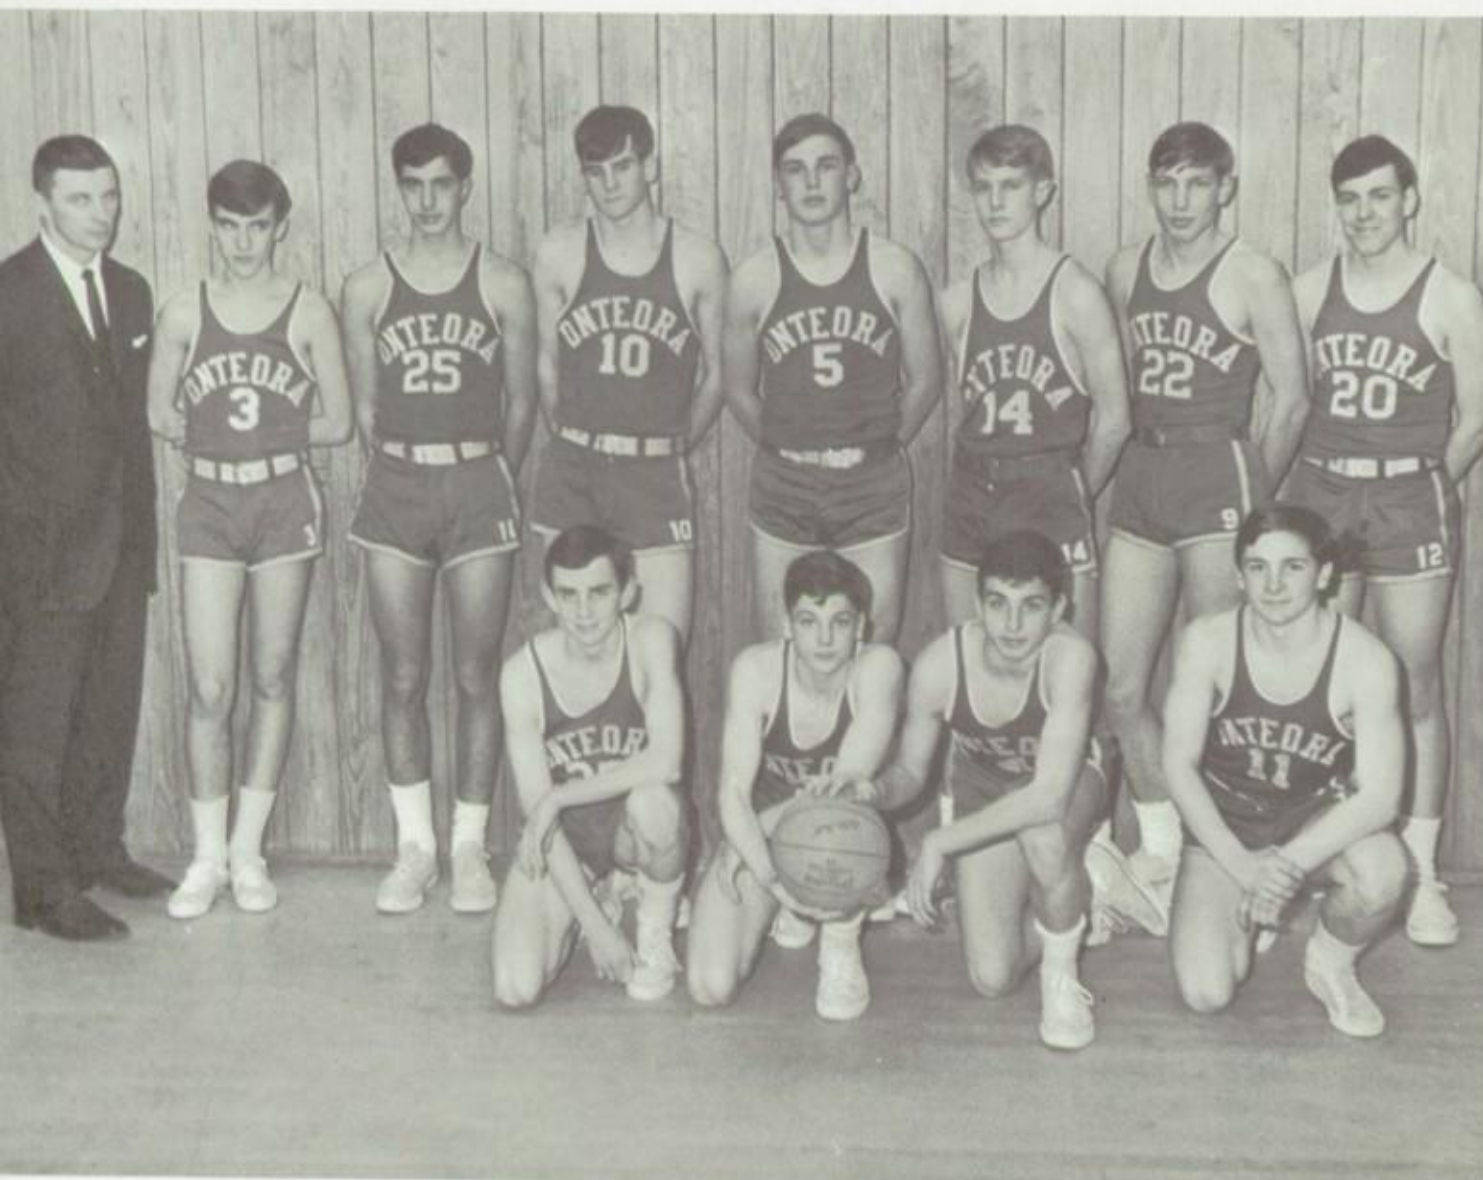

- 1) Most points varsity career -950.
- 2) Most points varsity single game -40.
- 3) Average for three years—17.2.
- 4) Most points one season—384.
- 5) Average for one season—24.3.
- 6) Best average for one year in UCAL play—24.3.

# J.V. BASKETBALL

## *SENIOR OF THE YEAR*

At the Honor Society induction ceremony, Larry Murray was elected Senior of the Year. Larry has been an active member of the Student Council, serving as vice-president and treasurer. This year he is an AFS student representative. Larry has participated in various sports, including wrestling and football. His voice has become familiar as an OCS public-address announcer.

Larry plans to attend Houghton College in Buffalo, New York, and intends to major in biology.

## *N.Y.S. REGENTS SCHOLARSHIPS*

Congratulations to the following winners of the Regents Scholarships: (LEFT TO RIGHT) Gale Greenwood, Bernd Ketter, Laurel Wilber, Joan Viskocil, Carol Knight, Nancy Swindler, Terrance Carle, Cindy Schreiner, Sharon Kintner, Lewis Arlt, Tom Guadagnola, and Rod McLeod.

## VALEDICTORIAN

Nancy Jane Swindler heads the Senior Class at Onteora this year with an academic average of 93.187.

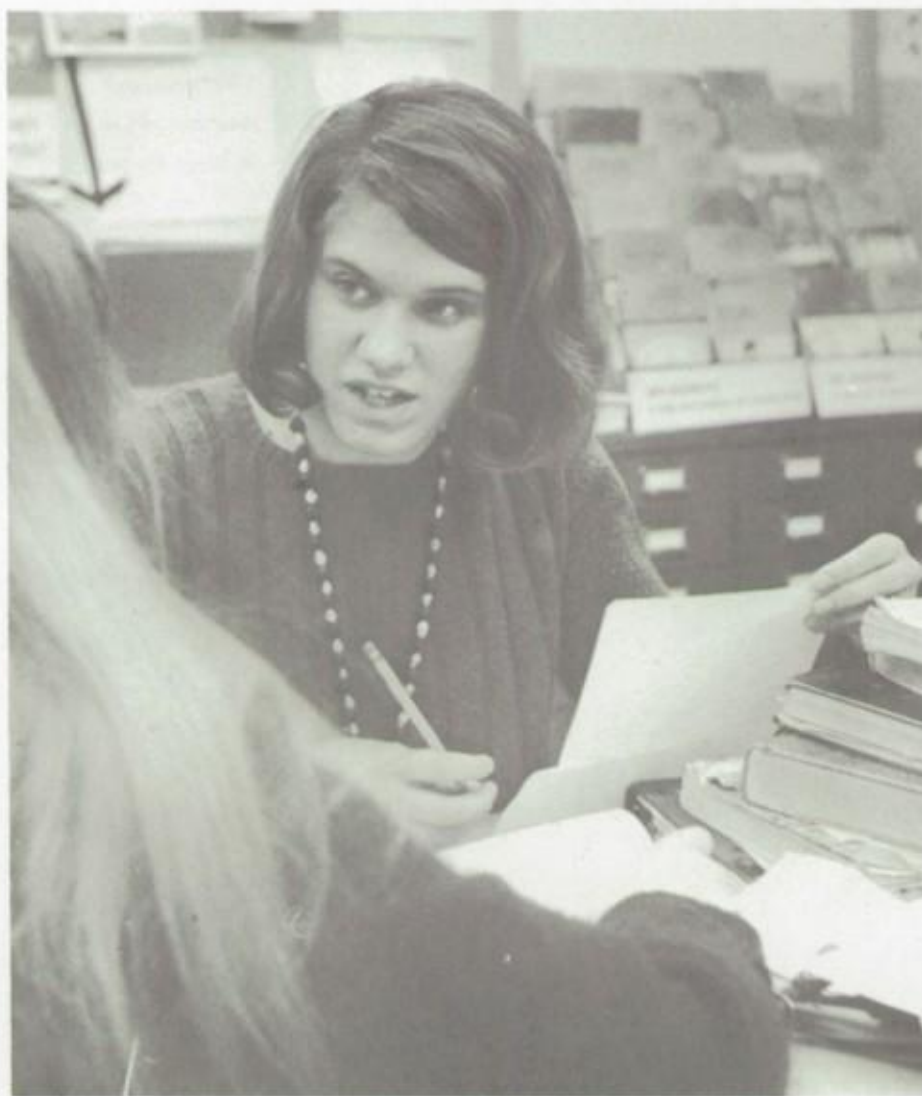

Nancy transferred to Onteora from Amherst Central School, Synder, New York, in the Spring of her junior year. While at Amherst, she was active in the school's musical activities, the American Field Service student committee and was a member of the National French Honor Society. At Onteora, Nancy has been active in various clubs, is a member of the National Honor Society and participated in the Senior Seminar.

Her interests also include reading, music, swimming, and skiing.

Nancy has been accepted under the early-decision plan at the State University of New York at Albany and will prepare for the field of medicine.

## THE YEAR PAST

**VIETNAM ENIGMA:** With deepening U.S. commitment, war was year's major burden for Johnson.

**CHINESE TURMOIL:** 1966 saw intensified power struggle and emergence of Red Guards.

**EASED COLD WAR:** Despite Vietnam, U.S.-Soviet relations improved.

**BLACK POWER:** Slogan summed up new Negro militancy and stirred a white backlash. Its chief advocate is  
Stokey Carmichael

**NATO FISSURE:** President DeGaulle evicted NATO from Paris headquarters, and further withdrew France from  
the Western alliance.

**INFLATION PRESSURES:** Heavy war spending sent consumer prices up and U.S. housewives reacted by picket-  
ing stores to protest food prices.

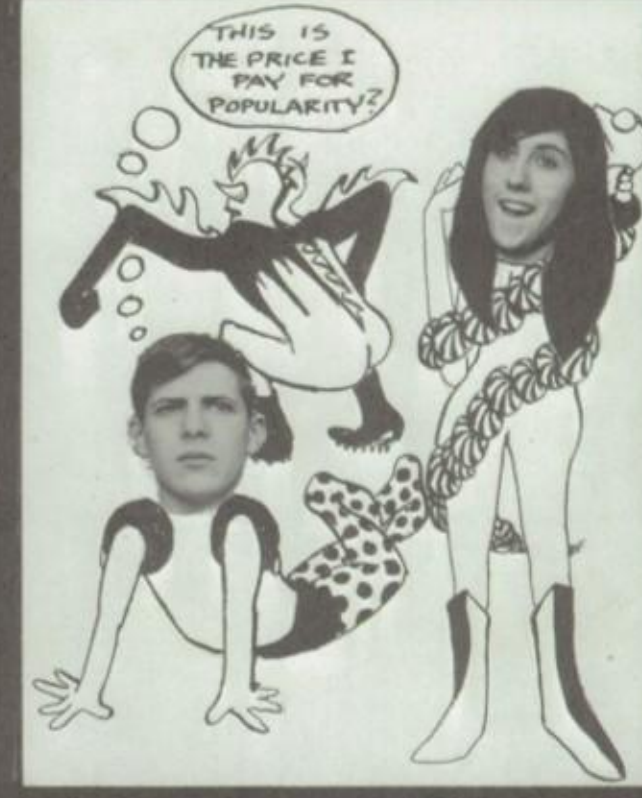

**G.O.P. RESURGENCE:** Reagan of California and Romney of Michigan were big Republican winners in 1966  
and both may seek Presidency in 1968.

**DEMOCRATIC RIVALRY:** Senator Robert Kennedy enhanced his position nationally and posed a challenge to  
Johnson's leadership.

**AFRICAN ISSUE:** Rhodesian Prime Minister Ian Smith's stand for white supremacy posed a severe test for  
Britain and other Western powers.

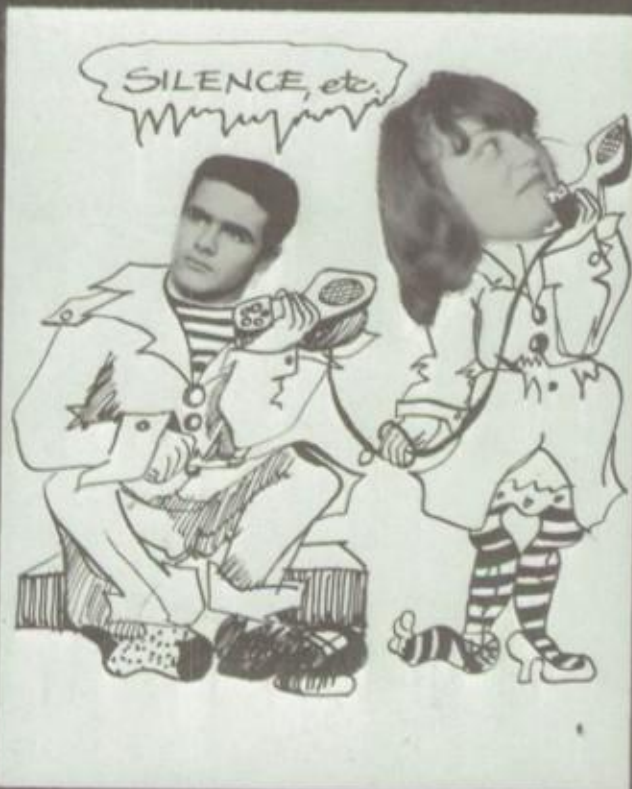

**CRISIS OF THE CITIES:** New York's Mayor John V. Lindsay was one who contended with the manifold prob-  
lems that urban governments face.

"We lean on each other."

If you've made the treacherous journey down the long, dark hall to the art room during the school year, you've probably seen members of the Tomahawk staff scurrying madly about and working diligently so they could present you with this edition of the '67 Tomahawk.

PHOENICIA HOTEL

The sound of rain that softly falls upon  
The roof; the sweet warm song of dying fires;  
The quiet beat of ticking clocks; when gone,  
Then man no longer lives, nor his desires.

For what is sound when none is there to hear?  
The empty world continues on without  
The mind of man to see, or feel, or fear.  
Yet all is still; a void exists throughout.

His homes, his fields, his books—all rot with age,  
And soon it comes that man no longer is.  
The sound of rain is stilled; with quiet rage,  
Man turns to dust, the world no longer his.

O, God, must man, Your son and slave, be made  
To live 'til You his life do make to fade?

### THE JOY OF LIVING

White clouds float merrily across the sky  
And cheerful birds sing out their songs of  
mirth.

Warm breezes through the swaying  
grasses sigh

And Mother Earth to tiny sprouts gives  
birth.

The children's youthful voices fill the air  
Pierced often by a squeal of pure delight  
At peace with all and having ne'er a care  
Their smiling faces are a merry sight.

My soul thrills with sheer ecstasy of life  
My heart o'er flows with pure, abundant  
love

Forgotten is the cold real world of strife  
Not dominated by the peaceful dove.

Gay music floats o'er all the joyful land;  
It lifts the heart and gaiety demands.

To all the world a hell on earth that in  
the name of God, we hate, and fight, and  
kill,  
for love of honor, pride. For God we sin.  
For love we hate. For life, we die, we kill.

The green leaves dead and white turned  
black to mar  
for love. The freshness of the snow is gone.  
The spring is cold, the winter's hot. Search  
far  
for life. Search not for light, there comes  
no dawn.

The sky is grey, the earth is red, look now  
at pride for honor's sake. Do nothing to  
prevent the fall. No, ask not why or how.  
Just kill for life. It's justified to you.

At night, look up at the earth and down to  
sky  
and then look out to where your dead men  
lie.

Come my child and giggle away the days of  
fun.  
Kiss the phantom and blow out the light of  
the silver fairy.  
Paint the sky deep blue and catch the yellow  
sun.  
Drift through the seas of thoughts on a shinny  
ferry.

Come my child and bring your umbrella to  
the rain drop shower.  
Float on the waves in the striped sailing ship.  
Fling to the stream a bright bursting flower,  
And glide down the slide of a frosty whip.

Come my child to the sea and build a castle  
sandy.  
Step on the roof of a marshmallow white  
house.  
Taste the sweetness of the dotted sugar candy,  
And take a ride on the furry gray mouse.  
But Come my child and grow with evergreens,  
And only play with these never lasting dreams.

Diedre Wing

It was dark, so I carried the iron lantern,  
At first I held it close to my face, hoping  
That it would light my eyes to see the turn  
Ahead. But it blinded me, I blinked, stopping

For a moment. I tried to think. I raised  
My hands, and one made a halo round my  
head  
And the other held my wrist. I gazed  
Into the light sphere, the larger black sphere  
dead.

I knew the light was but a hole  
In the empty blackness that tried and failed  
To be black. Then I took off the cold  
Glass and let the unseen wind blow out the  
lighted.

I sat on the ground, the lantern far from me.  
For I was black, and saw more than I'd ever  
see.

Deidre Wing

The fog moved in across the silent town  
And covered the homes and shops that now  
stand bare.  
The signs, the lights, the fronts are long torn  
down  
From the forms of dreams that people dare to  
dare.

The life in which a man could freely walk  
Has come and gone without a single sound.  
To leave a world where he can only talk  
To the rows of empty images all around.

The world moves on through an endless realm  
Of wonder, fear, expectation, love, and hate.  
So moves the ship of life; and at its helm  
The age-old guide of life that men call fate.

The man who tells himself that he's a man  
Can ridicule himself as no-one can.
